

30 JANUARY 2023

LAKWOOD RANCH REPUBLICAN CLUB

STATEMENT OF MISSION

To ensure liberty and freedom now and in the future, the purpose of the chartered Lakewood Ranch Republican Club is to provide a forum for the open and free expression of political speech, abide by, extol and uphold the core values of the Republican Party, and foster education on the Constitution and Bill of Rights, as well as American history and civics. The Club will focus on democratically elected republican government, election integrity, and the constitutional foundation of the Nation, especially in regard to policy issues affecting the body politic in all Branches and at all levels of government. The Club will offer Republican and Not Politically Affiliated (NPA) candidates for political office an audience to express their policy intentions, political platforms, and credentials for office. The Club will support the elected slate of Republican candidates for office following Primary elections in preparation for the General elections, and it will inform, mobilize, and organize membership to support Republican candidates for political office.

Walter K. Steiner

President
